
FROM THE OFFICER-IN-CHARGE'S DESK

The Government General Degree College at Kaliganj was established in the year 2015 to allow access of higher education to the large number of students in the rural and backward part in the district Nadia. The College begins its maiden journey under the efficient and able leadership of Dr. Samrat Laskar.

Affiliated to the University of Kalyani, the college offers seven Honours subjects, with Zoology introduced from current academic session. The new academic challenge that all colleges under the University of Kalyani including Government General Degree College at Kaliganj were facing from 2018-19 session, is an efficient implementation of the semester based UG curricula across all subjects under the Choice Based Credit System (CBCS). For the first time the University is giving weightage to attendance of students. Both Parents and students should be aware about this. The ultimate objective of the CBCS is to encourage academic mobility. I sincerely hope Government General Degree College at Kaliganj will succeed in this task,

I am confident that all Stakeholders of this College will always extend their blissful help towards our dedicated and holistic mission of empowering education in West Bengal.
