ABOUT THE COLLEGE

The College was established in the year 2015 to allow access of higher education to the large number of students in the rural and backward part in the district Nadia. This college is located at a serene plot of rural land and surrounded by greenery and college campus provides a calm and peaceful teaching-learning ambience. This ragging-free college campus is secured by CCTV surveillance and college is well connected to the other parts of the district through easily accessible rail and road networks. Affiliated to the University of Kalyani, the College offers Eight Major Courses under NEP 2020.

ABOUT THE SEMINAR

This multidisciplinary seminar aims at exploring different facets of education in the Indian subcontinent from the ancient times to the present day. India is a rich nation of cultural and linguistic diversity. At different stages of history, the Indian education systems have evolved in accordance with the requirements of the contemporary society, and have always tried to accommodate, enrich, and unify the nation's vast cultural diversity. This seminar will trace the significant domains and phases of Indian education system across different historical periods and will critically address pertinent academic and socio-cultural issues in education.
